

CONSTRUCTION vs. CANCER

SOUTHERN CALIFORNIA

2020 SPONSORSHIP OPPORTUNITIES

CONSTRUCTION vs. CANCER

SOUTHERN CALIFORNIA

Pediatric cancer survivors will enjoy the thrill of “Sitting in the Driver’s Seat”

What is Construction vs. Cancer?

Showing the softer side of construction, the local construction industry has forged a partnership with the American Cancer Society in its mission to find a cure for cancer. FREE to the PUBLIC, this event has been designed to offer kids and families a day of fun and entertainment. Kids and those “kids-at-heart” will have the opportunity to operate various construction equipment, play games, and share in the festivities. The look on a kid’s face as he or she operates an excavator is PRICELESS! Featured VIP Guests will be pediatric cancer patients, survivors, and their families.

How Can You Help?

Commit your organization to becoming a sponsor through your contribution. Your generous donation will provide VIP benefits for children with cancer and their families, logo placement on banners and apparel, social media recognition, and photo-ops. Most importantly, your contribution will help fund research to beat cancer once and for all.

Saving Lives, Celebrating Lives, and Leading the Fight for a World Without Cancer!
